Our Vision

"Housing with Pride, Life with Dignity". Northwest Real Estate Capital Corporation's (NWRECC) goal is to become a "stepping stone" towards a brighter future by providing services along with superior affordable housing to enhance the quality of life for our residents.

Our Mission

We are committed to preserving affordable housing, enabling life with dignity for our residents and creating a quality work environment for employees.

We promote integrity and teamwork as the foundation for our involvement in affordable housing and with our business partners including; employees, residents, government agencies, vendors and financial stakeholders.

We strive to make our housing a part of the community by connecting the social and economic institutions to residents and employees and allowing them the chance to be productive members of that community.

We conduct our operations with the following core set of values and beliefs:

Work Ethic -- We believe a strong work ethic is the essential ingredient for achieving excellence.

Integrity -- We believe personal and corporate integrity is fundamental to building a reputable organization.

Teamwork -- We believe teamwork and open communication is the method of achieving our goals.

Respect -- We believe mutual respect must be the basis of all interaction with our employees, our resident families and our business partners.

Service -- We believe responsiveness and quality of delivery are essential.

Community -- We believe active community involvement is our duty.

Please do not forget to check out the on-site activities!

NWRECC on-site Resident Services are an integral part of our mission. These services may include after-school and summer programs for children, financial education classes for adults and health care services for seniors. Please see your site manager for a schedule of the services currently being provided at your property.
